

## What's coming up at IH Malta-Gozo?

### Preparation for 2012, read on...

Our industry allows you no time to breathe; we are still in high season, dealing with the numerous students arriving every weekend, but a part of our mind is already on 2012.

In the coming weeks we will be working on our 2012 brochure which will be ready before the workshops and roadshow season commences. We are also in the process of starting work on a new website which should be launched at the beginning of 2012. The coming weeks are potentially the busiest time of the year for us. Well, someone has to keep the economy going while the rest of the world is sunbathing!

### INTERNATIONAL WORKSHOPS BEING ATTENDED:

The next workshop we will be attending is ICEF Berlin (30.10-01.11.2011). Our Managing Director, Costantino Mifsud, will represent the school at this workshop. Between Monday 17<sup>th</sup> October and Friday 21<sup>st</sup> October our Director of Studies, Richard Twigg will be touring Russia and Ukraine together with other INTERNATIONAL HOUSE schools on the annual INTERNATIONAL HOUSE WORLD ORGANISATION Road Show. The schools will meet agents in **Kiev** (17.10.11), **Moscow** (18.10-19.10.11) & **St. Petersburg** (20.10.11).
